To this a reply has been sent on 23/3/27 (No. D. 8156) stating that the question of waiving interest can only be considered if there is a proffer of the whole of the principal due & reply appears to have been received to this. Serial No.

The question of recovering the dues from the defunct agriculture banks at Vaniyambadi and Ambahakali has been pending for a very long time. Several interim replies have been issued about the attempts made for recovering the amount. But the reports so far received do not give a correct idea as to the demand, collection and balance of the two banks as in some of them the accounts of both the banks are mixed up and in some others shown separately. The Special called for in May 1927 is still due.

In order to understand the exact situation of the affairs of the banks, it seems desirable to get a comprehensive report from the D.C. Bangalore about the demands in 1926-27, the action taken till now to collect the dues, the amount so far collected, and the balance as on 1-7-35 (principal + interest) still due, in respect of these two banks separately, the figures being verified by the Comptroller.

It seems also desirable to fix a certain time limit, before which all the amounts due shall be collected, so as not to drag on the matter. ~~till the world's end, as the question has already been pending for ages.~~

A draft D.O. letter to the D.C. Bangalore is submitted for consideration

SUBJECT:— C.S. 8-26-8

SIR,

With reference to your letter No.D.10689/C.S.8-26-6 dated 31st May 1927 calling for a special report of present position in regard to the recovery of arrears from the Agricultural Banks of Vadigenahalli and Aradeshahalli of the Devanhalli Taluk, I have the honor to submit herewith a copy of the report received from the Amildar on the subject. It is seen from the report that out of Rs.6184-11-6 principal, a sum of Rs.5421-11-6 has been recovered and a sum of Rs.108-12-6 has been credited towards the interest leaving a balance of only one item of Rs.763/- principal, due from one Rama Jois. Action has been taken against this individual by bringing his lands in the Bangalore Taluk for sale. The whole of the principal amount has thus been realized excepting the small sum of Rs.763/- on the assurance given to the debtors in pursuance of your letter No.D.8156/Cs.8-26-6 dated 23rd May 1927 stating that the waiving of interest will be partially or wholly considered if they paid the principal voluntarily. According to this assurance, the debtor Rama Jois is reported to have agreed to pay the amount, but he has now put in a petition that if his land mortgaged to the Bank would be released, he would be able to sell it off and pay the entire amount as he has already secured a purchaser in the person of one Mr.Y.S.Shama Rao, who would purchase his lands for

for Rs.770/- and that he is otherwise quite unable to liquidate the debt.

Considering the great hardship and misery which would be caused to the several debtors who have paid up their loans voluntarily the Amildar recommends that the claim to interest be waived as an act of grace. I support the recommendation in view of resting this vexed and long pending question. As regards the case of Rama jois, his request seems reasonable and in case Government view favourably the question of remission of interest the prospective purchaser might be allowed to deposit the purchase amount with the Amildar who might be authorised to release the property, in that event Rama Jois might then conclude his sale.

2. As regards Vadigenhalli Agricultural Bank out of the original principal amount of Rs.5216 and the interest of Rs.5195-11-9, a total sum of Rs.7092-14-6 has been recovered leaving a balance of a principal amount of Rs.465-7-10 and an interest of Rs.1407-8-5 which have to be recovered outside the Taluk for which action is being taken by other Taluks. It is a point for consideration whether as suggested in the case of Ardeshalli Bank the ~~amount~~ interest due on this account also may not be written off in the case of such of those debtors who have paid the amount voluntarily.

3. The two statements relating to the recovery and the balance of arrears of these two banks as submitted by the Amildar are herein enclosed for perusal.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

C. S. 8-26-13

SIR,

~~Subject~~ :—

With reference to your letter No.D.4372/C.S.8-26-9 dated 31st October 1927 re. the recovery of Government dues from the members of the Agricultural Bank of Vadigenahalli, in Devanhalli Taluk, I have the honour to submit herewith a revised statement showing the amounts due from the several members of the Bank and the action taken in each case.

2. From this statement it may be seen that the net amount due to Government is Rs 2246-3-8 (Principal Rs 1040/-, Interest Rs 1206-3-8) according to the accounts maintained in the Taluk Office. Coercive steps were taken in Chikkaballapur Taluk for the recovery of arrears from Ramappa and the defaulter's lands were brought to sale. Subsequent to the sale the defaulter put forth his contention to the effect that the Revenue Authorities had no jurisdiction to take action on the Revenue side. The matter was under correspondence till recently and Government finally ordered on 8/10th January 1929 rejecting the contention of Ramappa. The Deputy Commissioner, Kolar has been written to ~~to~~ transfer the amount realised at the sale to the loan account.

3. In this connection I beg to state that according to the Comptroll figures the balance of loan amount due from Vadigenahalli Agricultural bank is Rs 2569/- towards principal and Rs 154-8-5 towards interest on 1st July 1928.

4. The difference between the figures of the Comptroller and those o the Taluk office is reported to be due to the fact that the Comptroll has maintained detailed accounts in his office only in respect of the Bank as a whole and not in the names of individual members of the Bank and the amounts realised have been credited by him towards interest du

and the balances if any towards principal. But in the Taluk office, accounts have been maintained in the names of individual members and consequently the difference cannot be reconciled easily. The Comptroller however suggests that his figures may be adopted pending orders of Government on this office letter No.C8-1683/25 dated 26th November 1926.

5. I request you therefore to obtain early orders of -- Government on my predecessor's recommendation to waive the interest as otherwise this long pending question cannot be brought to disposal in the near future.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Letter No.C8-87/32-33 dated 7th October 1933, from the Deputy Commissioner, Bangalore District, to the Comptroller to Government.

In continuation of this office No.C8-87/32-33 dated 5-12-1932 regarding the recovery of overdue amounts by the members of the defunct Agricultural Banks af Ardeshahalli and Vadigenahalli in Devanhalli taluk, I have the honour to state that the right, title and interest of the defaulters in 14 vrittis of Ardesahalli village were sold by the Sub Division Officer, Dodballapur Sub Division on 23-12-1932 for the realization of the arrears amounting to Rs.7540-9-8 (principal Rs.6180/- plus interest Rs.1360-9-8) due from the members of Agricultural Bank at Ardesahalli and as no bids were forthcoming the vrittis were purchased by the Amildar, Devanhalli for Rs.2188/- on behalf of Government.Mr. B. Ramiah one of the defaulters paid his dues subsequently and the sale of his vritti was cancelled. Four more defaulters viz., Giriyappa, Venkatappa, Chindagiriappa and Srinivasa Sastry put in petitions contending that in 1923 the Deputy Commissioner had ordered that if they paid the principal a recommendation would be made to Government to write off the interest and praying that as they paid the full amount of principal, the interest may be waived etc., Their contention was not accepted and the Sub Division Officer was asked to inform the petitioners that their request could not be granted and that if they failed to pay up the dues within 10 days of the service of a notice the sales of their vrittis would be confirmed etc.

The Sub Division Officer, Dodballapur reported on 10-7-1933 that though notice was issued and time given to the members to pay up the dues, none of them paid the dues whereupon the sales of the vrittis of the defaulters which had been sold for the arrears by the Sub Division Officer were confirmed and orders issued to the Sub Division Officer on 11-8-1933 to instruct the Amildar of Devanhalli to take possession of the vrittis and collect the annual rent and further to take steps to recover the outstanding arrears by proceeding against the other properties of the defaulters. A report on the result of the action taken

by the Sub Division Officer is awaited.

2. As regards the amount due from the members of the Agricultural Bank at Vadigenahalli, the defaulters are reported to be residing in the Sidlaghatta taluk and the Deputy Commissioner, Kolar District has been addressed in the matter of taking needful steps for recovery and his reply is awaited. The Deputy Commissioner has also been reminded in the matter of expediting the recovery and intimating the result at a very early date.

With reference to your letter No.A2-S.R.407/32-33 dated 5-3-1934 calling for further progress report regarding the action taken with regard to the recovery of Agricultural Bank dues of Ardeshalli Village, I beg to submit as follows:--

As already reported in my previous report dated 23-1-1934 on the same subject, individual notices were issued even to absentee vrittidars intimating them that their vrittis have been taken possession of by the undersigned for the said dues and that they should desist from entering on these lands ~~xxx~~ in future. Some of these notices have been returned duly served.

Mutchalikas have been taken from all the tenants of these vrittidars binding them not to give the produce of these lands to their principals. These crops have been attached and needful action is being taken for their disposal as per rules.

I am going to the village again on the 19th instant, when I shall take needful action to arrange for the cultivation of the lands on the best terms possible.

The Deputy Commissioner visited the village on 24-2-1934 when he made detail enquiries into the arrears of this village. As instructed by him, the Jamabandi accounts of the vrittis purchased by the Government are being written up for fixing up the demand and the same will be submitted shortly for approval.

Needful action has been taken to recover the gutta amounts of this year.

The lands mortgaged by one Mr. Sonnasetti were released from attachment, as the sale of these lands has been cancelled by the Deputy Commissioner in his order No.C8-N.Dis.87/32-33 dated 6-5-1933.

There are some other vrittis mortgaged to the bank for which no action has been taken so far. As directed in the Deputy Commissioner's order No.C8-87/32-33 dated 10-11-33, action is being taken to bring these lands also for sale.

In the reports already submitted, it is stated that in all 14 vrittis have been purchased by Government for these dues. On a further scrutiny, I see that only 6½ vrittis have been purchased besides the 3 vrittis belonging to Sri Venugopalaswami Temple. I shall submit a further detailed report on this subject very shortly.
